Happenings of a Day in Lake County's Lively Capital

### SHUCKS

From the Diary of St. Lence

Two fellows by the name of Gentlemen have been arrested in Chicago recently charged with being labor slugs. They ain't a hull lot in their name after all.

Miss Cutey Koot said that all the fair sex ain't fair by a darned site.

#### Library Notes.

After June 1 the library will close at 8:30 in the evening, according to the usual custom.

The circulation still remains above the average for this time of the year. The closing of the schools and clubs for the summer will, however, greatly lessen the reference work.

The Crown Point high school alumni society held its yearly business meeting at the library on Tuesday evening of this week.

A copy of the new United States census report has just been received. It gives the population of all the states, territories, counties, cities and towns in the United States according to the 1910 census. There have been many calls for this report in the last month, so anyone wishing to use it may do so now at any time.

The next meeting of the Northern Indiana and Southern Michigan Library club will be at Crown Point on June 15. This date was decided upon at a meeting of the club at Laporte last week.

With the election to decide whether Crown Point remains a town or becomes a city less than one month away, and at present no concerted opposition having arisen to the progressive movement, it begins to look as if the city proposition will go through with flying colors on June 6, the date set for voting on the question. Whether the disinterested attitude assumed on the subject by those supposed to hold the city movement in disfavor is just a "hill before the storm," or whether they have had a change of heart and been won over by the progressives is

not known, but at present all is smooth sailing for those behind the plan. It looks as if the voters of Crown Point will have the opportunity to vote for a number of high school athletes at the northern Indiana track meet at South Bend next Saturday.

With the exception of Smith pitching in "Pete" Henning's shoes next Sunday, the lineup for the second Crown Point-Hammond game will be identical with that presented one week ago. Smith has always been effective against Hammond and the local crew expect to repeat their victory and keep their score board clean. The grounds are being put in fast shape for the game, and the Hammond rooters, who are said to be coming down 300 strong on a special train, will have the opportunity of seeing some fast work.

Rev. Billman and wife, of the Presbyterian church, and Mr. and Mrs. M. E. Dinwiddie will leave for Atlantic City tomorrow to attend a meeting of the Presbytery at that place this week.

Mrs. W. E. Vinner and Miss Curtis have issued invitations to Crown Point society people to a luncheon at the former lady's home next Saturday afternoon.

Don't forget the fifth course concert to be given at the Methodist church tomorrow evening. Excellent Chicago talent will render a fine program of musical selections.

Contractor William Parry will commence the construction work on the new Leroy school house this week.

Downey & Portz, the paving contractors, are finishing up their work on North and East streets, commenced last fall.

It is said that a large quantity of oil has been ordered for Crown Point streets and will be put on at the town's expense this year.

Crown Point will be represented by a mayor and aldermen at the election next fall.

It is announced that a baby girl arrived at the home of Dr. and Mrs. Robert Krost in Chicago yesterday.

Mrs. Daugherty, Mrs. D. A. Root, Mrs. McMahan and Miss Gwendoline Parry were among the Crown Point ladies in Chicago yesterday.

## WHITING AND ENVIRONS

Jerry O'Neill of the "Sweetest Girl in Paris Co." has returned home to spend the summer with his parents here, the company having disbanded for the summer months.

Miss Dorothy Bollinger of Ohio avenue is ill with tonsillitis.

Miss Olive Louer, who has been spending a few weeks with her parents on Central avenue, will return to Juliet again in a few days.

Mrs. Byron Montford will be the guest of Mrs. N. E. Wilson of Oliver street about ten days before leaving for her future home in Superior, Wis., where Mr. Montford has been appointed superintendent of the Standard Oil company's shipping station at that point.

The members of the Young Ladies' Sodality and the boys of the Shamrock club of the Sacred Heart church gave a surprise party on Miss Katherine Duffy and Thomas Molyan at the former's home on New York avenue on Tuesday night. The party was given on the young people in honor of their appearance.

## HAPPY, HAPPY, USE TIZ

Marvel for Sore Feet. Acts Right off

Sore Feet. Nerve After Using TIZ—Good-bye sore feet, aching feet, swollen feet, sweaty feet, smelling feet, tired feet.

Good-bye corns, callouses and bunions and raw spots.

You've never tried anything like TIZ before for your feet. It is different from anything ever before sold.

It acts at once and makes the feet feel remarkably fresh and sore-proof. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

If you don't find all this true after trying a box of TIZ, you can get your money right back.

TIZ is for sale at all druggists at 25 cents per box, or it will be sent you direct if you wish from Walter Luther Dodge & Co., Dodge Bldg., Chicago, Ill.

proaching marriage. A most delightful evening was spent, the diversions being vocal and instrumental music and games. Miss Duffy was presented with a cut glass water set.

The King's Herald and Home Guards will give their annual entertainment at the Methodist church tomorrow evening. It promises to be even better than usual, as an elaborate and varied program has been arranged. Forty children in costume will take part, representing many foreign countries and foreigners on American soil. Besides songs and recitations and a temperance exercise, the following will be given:

Candle Drill: "America Lighting the Nations"—Twelve Boys.

"Immigrant Drill"—Sixteen Girls.

A playlet: "The Voices of the Women"—Mrs. Fredenburg with Group of Ten Girls.

The funeral of Esther Carlson, the 15-year-old daughter of Mr. and Mrs. P. H. Carlson of Cleveland avenue, was held on Tuesday afternoon at 1:30 p. m. A very touching sermon was preached by Rev. F. M. Webster of the Congregational church, and music was furnished by the choir.

Miss Elizabeth Carlisle, the commercial teacher in the Whiting high school, will not return to Whiting next year, which information brings much regret. Miss Carlisle and her mother will go to their summer home near Cleveland when the school year is over, but her plans for next year have not yet been completed.
